EXPLANATION OF LEGEND ITEMS

| | |
|---|-------------------|
| Roads Open to Highway Legal Vehicles Only: | |
| Roads Open only to motor vehicles licensed under State law for general operation on all public roads. | |
| Roads Open to All Vehicles: | |
| Roads open to all motor vehicles, including smaller off highway vehicles that may not be licensed for highway use (not to oversize or overweight vehicles under State traffic law). | |
| Trails Open to Vehicles 50' or Less in Width: | |
| Trails open only to motor vehicles less than 50 inches wide at widest point on the vehicle. | |
| Trails Open to Motorcycles Only: | |
| Trails open only to motorcycles. Sidecars are not permitted. | |
| Seasonal Designation: | |
| This symbol is used in conjunction with one of the other trail or road symbols, indicating that the road or trail is open only during certain portions of the year. Refer to the Seasonal Designations Table for further instructions. | |
| Other Public Roads: | |
| Used to show routes not designated for motorized use by the Forest Service. Part of the reference layers showing connections to towns and cities outside the forest boundary. | |
| Short Route Identifier: | |
| This symbol is used for routes that are too short to show a symbol type on the map. The symbol contains the number of the road or trail. Users should refer to the corresponding number in the Short Route Table for designation information. | |
| Motorized Trail Access: | |
| This symbol indicates a trailhead for access to a motorized route. Not all motorized routes have trailheads and those that do may range from primitive to developed. | |
| Scale: | 0 0.5 1 2 3 Miles |

PROHIBITIONS

| |
|--|
| It is prohibited to possess or operate a motor vehicle on National Forest System lands on the South Park Ranger District other than in accordance with these designations (36 CFR 261.13). |
| Violations of 36 CFR 261.13 are subject to a fine of up to \$5,000 or imprisonment for up to 6 months or both. U.S. Forest Service Travel Management applies regardless of the presence or absence of signs. |

This map does not display nonmotorized uses, over-snow uses, or other facilities and attractions on the South Park Ranger District. Other forest visitor information can be found at the Forest Service Information Center.

Designated roads, trails and areas may also be subject to temporary, emergency closures, and visitors must comply with signs notifying them of such restrictions. A local forest ranger may issue an order to close a road, trail or area to motorized use to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas. Such a temporary closure or emergency closure is consistent with the Travel Management Rule (36 CFR 212.52(h); 36 CFR 261.13 subpart B).

The designation "road or trail open to all motor vehicles" does not supersede State traffic law.

PURPOSE AND CONTENTS
OF THIS MAP

The designation shown on this motor vehicle use map (MVUM) are made after the responsible official pursuant to 36 CFR 212.51; are effective as of the date on the front cover of this MVUM, and will remain in effect until superseded by the next year's MVUM.

It is the responsibility of the user to acquire the current MVUM. This MVUM shows the National Forest System lands, National Forest System roads, and areas on National Forest System lands in the South Park Ranger District that are designated for motor vehicle use pursuant to 36 CFR 212.51; are effective as of the date on the front cover of this MVUM, and will remain in effect until superseded by the next year's MVUM.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use to imply that the road, trail, or area is safe, accessible, or suitable and safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes. Designations do not prohibit causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated areas unsafe or inaccessible at certain times and periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only during certain seasons or may require drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51. This is a limited map. The other public roads, trails, and areas shown are intended for navigation purposes only and are not open to motor vehicle use under the Forest Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

VICINITY MAP

OPERATOR
RESPONSIBILITIES

Operating a vehicle on National Forest System roads and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only are you more likely to encounter people who may need your help to show concern for the environment as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated route. By law, a vehicle operator is a vehicle operator, you are also subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in question.

Motor vehicle use, especially off-highway vehicle use, involves risks that may cause property damage, personal injury, and potential death to participants. Drive cautiously and anticipate rough surfaces and features, such as snow, mud, vegetation, rocks, and cross-country to remote driving conditions. By law, a vehicle operator voluntarily assumes full responsibility for these damages, risks, and dangers. Take care at all times to protect yourself and those under your responsibility.

Much of the South Park Ranger District is remote. Medical facilities may not be available nearby. Cellular telephones do not work in many areas of the South Park Ranger District. Take adequate food, water, first aid supplies, and other equipment appropriate for the conditions and expected weather.

ALWAYS REMEMBER TO PROTECT PRIVATE LANDS! PROTECT YOUR PRIVILEGE. STAY ON DESIGNATED ROADS AND TRAILS IN DESIGNATED AREAS.

Read and understand this map in its entirety. If you have questions, please contact the South Park Ranger District for clarification.

As a motor vehicle operator on a National Forest System road, trail, or area, you must comply with this map, as well as all Federal, State, and local laws and regulations. Compliance with these rules is your responsibility.
